Courtenay, BC V9N 9M9

Contact name: Graham Hilliar

Subject matter:

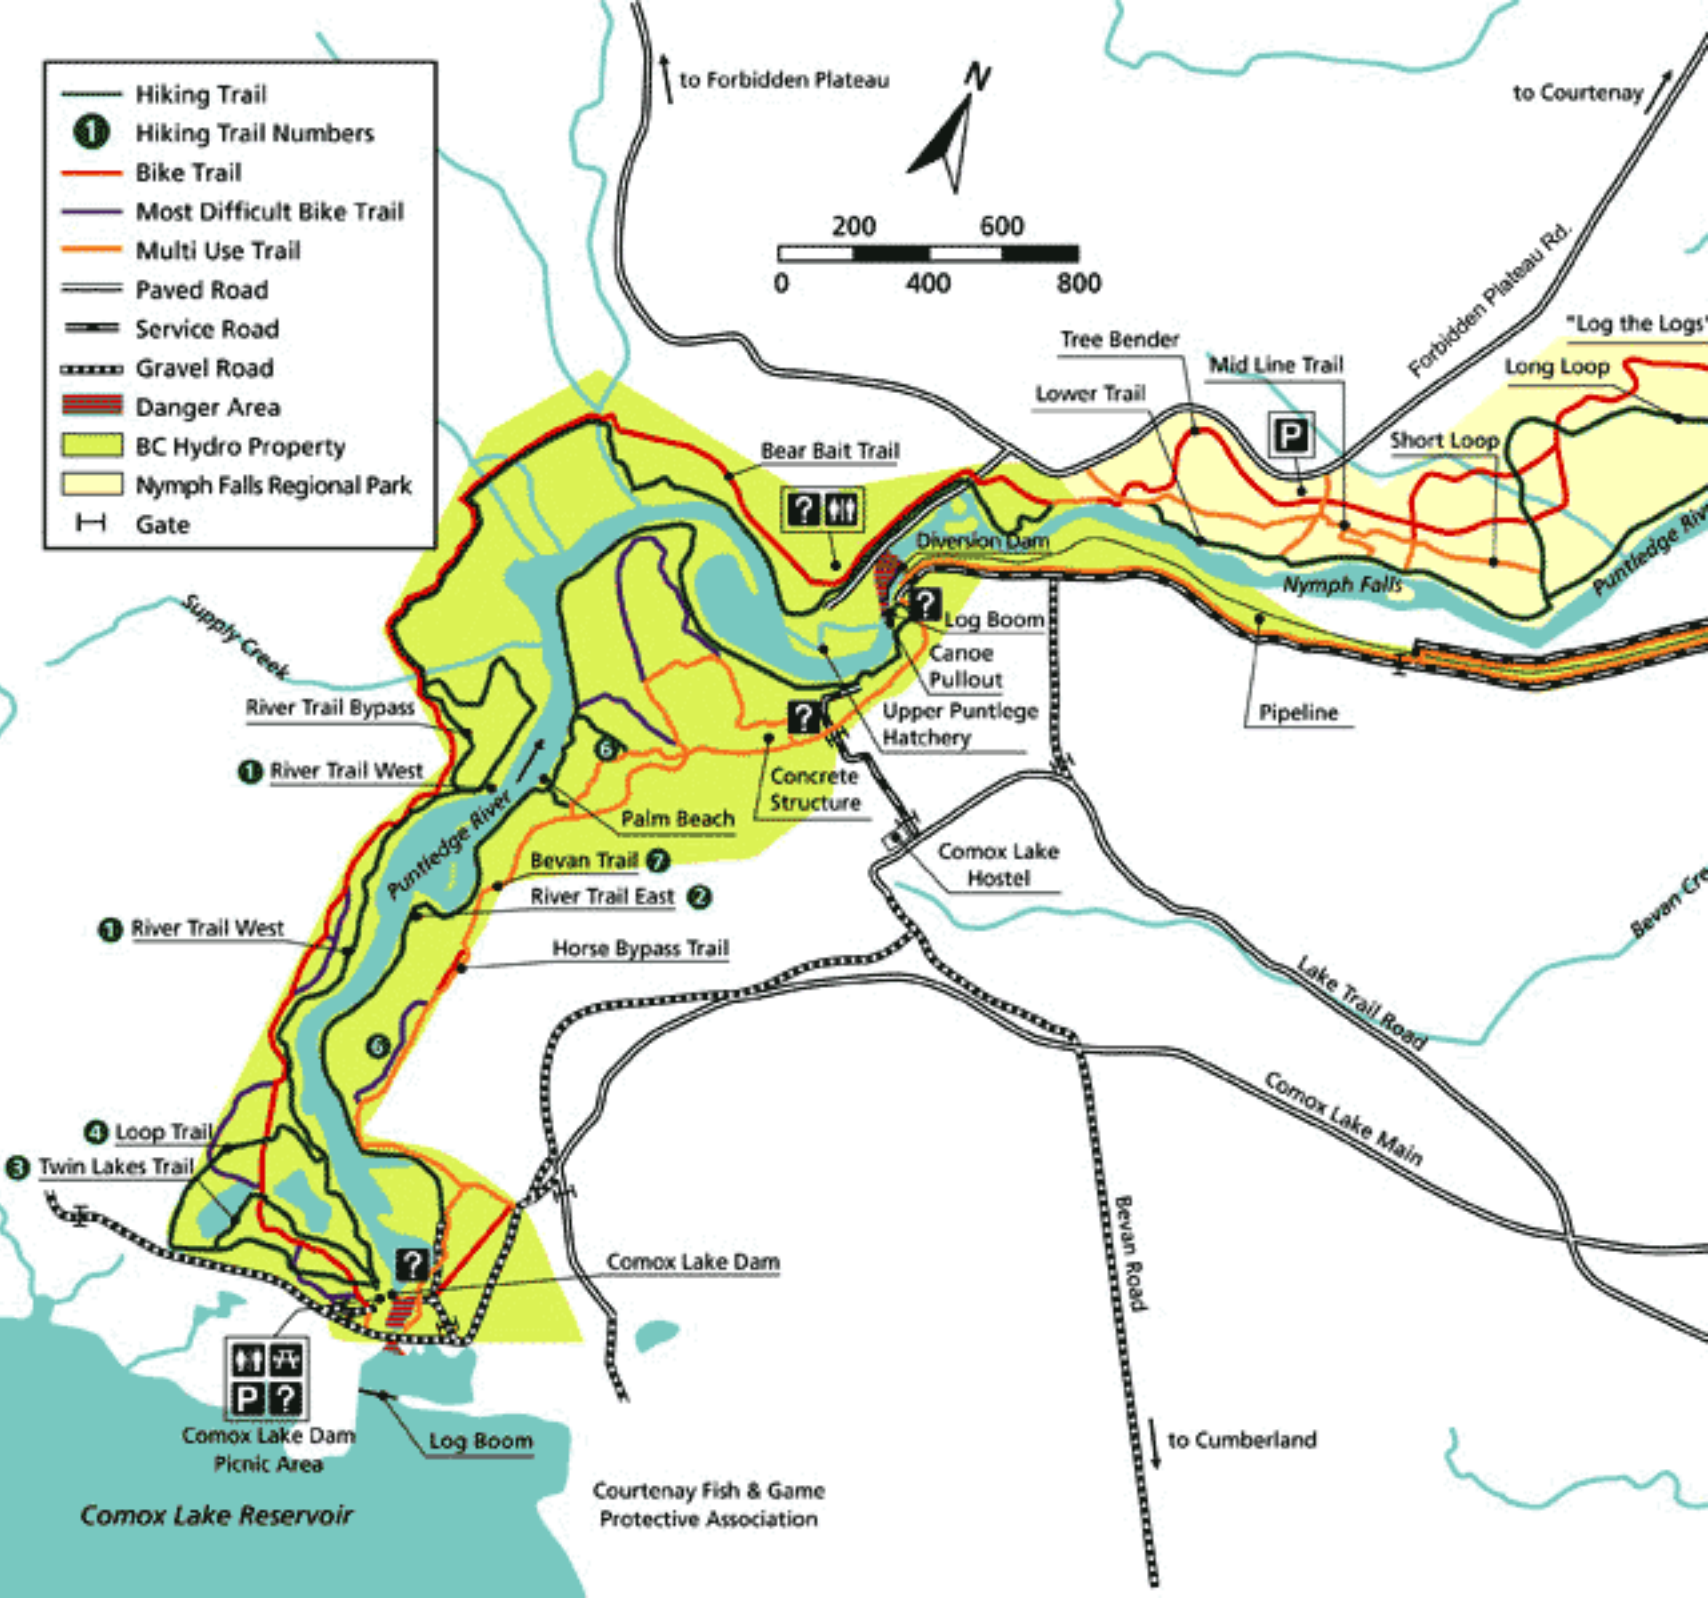

Discussing the protection of the timber which is owned by Hancock Timber Resource Group on the BC Hydro property in the Bevan and Bear Bait Trails area.

Specific request of the regional district, if any (i.e. letter of support, funding):

We would like to see the CVRD Board join in constructive dialogue with the BC government, BC Hydro and Hancock Timber Resource Group to find a way to protect this important wildlife corridor and popular recreational area. We would like to see the timber and land held under a conservation covenant.
