Directors  
Comox Valley Regional District Board

**Re: Follow up to the Friends of Rails to Trails Delegation of March 30, 2021**

I am writing to follow-up on the delegation from representatives of Friends of Rails to Trails – Vancouver Island received on March 30, 2021, and their request for the board's support and cooperation to undertake a high level cost study to convert the E&N corridor to trail.

In light of the many interests and parties involved, the considerable study work undertaken and the outstanding funding commitments from senior government, I am requesting that the Island Corridor Foundation be invited to appear as a delegation to the board to provide a comprehensive update on the corridor and their work.

I would respectfully request that the board consider the following resolution:

THAT the Island Corridor Foundation be invited to appear as a delegation before the Comox Valley Regional District Board to provide an update on their work, the proposed improvements to the corridor and other related matters.

Sincerely,
