

The CVRD Strategic and Financial Plans are guided by four key drivers:

Fiscal  
Responsibility

Careful management of services and assets is essential to providing affordable and reliable services to citizens and businesses in the CVRD.

Climate Crisis and Environmental  
Stewardship and Protection

The CVRD is committed to reducing our impact on the environment and ensuring we can adapt and respond to climate change impacts.

Community  
and Social Wellbeing

The social fabric of our communities, health and well-being of citizens, and community partnerships is ever present in guiding our service delivery.

Indigenous  
Relations

We are committed to reconciliation and relationship building with indigenous peoples and specifically K'ómoks First Nation (KFN).
