To whom it may concern. Re Board of Variance Application-5624 4th Street Union Bay. File 3730-20/BV 2A 19
We support the applicants in there application to increase the height of their retaining wall on their property. We live directly across the street with a l view of their back yard and can see no negative impact the wall would have. Jim and Debbie MacKay 5619 4th Street, Union Bay

Good morning, I have received a letter inviting me to offer feedback on a variance request in Union Bay. Can I send comments by email or do I have to submit hard copy. Jim Mackay Union Bay
