Re: 5441 Tappin Street (Lymburner/Gilchrist)
Lot 7, Section 32, Township 1, Nelson District, Plan 20618, PID 003-545-261

To Whom it may concern:

I hereby agree to the proposal of the new owners to reduce the minimum (west) rear lot line setback from 4.5 metres to 0.84 metres for a garage built without a building permit. Also considering that the new owners didn't even build the garage. Correct?

This garage is not in anybody's way.

Please do NOT consider to put my address and/or e-mail address out there, my name is fine if you "really have to".

Is this actually just a little scare so people won't answer and send e-mails to you?
