

DELEGATION REQUEST

Names of persons speaking: Helen Boyd, Randy Chatterjee

Organization you are representing: CV Nurses for Health & the Environment & CV Electric Vehicle Association

Primary purpose of the organization: Promote use of Electric vehicles and E-bikes to decrease GHG Emissions

Number of members: 80

Mailing address:

Contact name: Helen Boyd

Subject matter: The first CV Move 2 Electric event took place on May 18th 2019 to encourage the rapid adoption of Electric vehicles and E-bikes in order to decrease GHG emissions. This delegation wishes to present to the CVRD the results of a survey of owners of Electric cars and E-bikes that was done in the by the CV Nurses for Health & the Environment and the Community Health Network to underscore the identified needs for future infrastructure.

Specific request of the regional district, if any (i.e. letter of support, funding): That the CVRD once again allow for the use of Vanier Sports Complex parking lot should a second Move 2 Electric event be organized in the spring of 2020.

Requested meeting date: February 11, 2020

Audio-visual equipment needed: Powerpoint presentation and hand held slide changer please
