Chair and Directors
Committee of the Whole

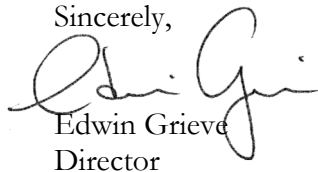

RE: Forbidden Plateau / Wood Mountain Ski Park remediation

The Forbidden Plateau Reclamation Society will be applying for provincial grant funding for its work towards remediation, reclamation and clean-up of the old Forbidden Plateau ski hill, also known as Wood Mountain Park.

I respectfully request the board's consideration of the following:

1. THAT the Comox Valley Regional District board send a letter to the Forbidden Plateau Reclamation Society in support of its application for provincial funding opportunities and other related grant programs for the reclamation and clean-up of Wood Mountain Park;
2. THAT the Comox Valley Regional District board appoint Director Edwin Grieve to sit on the Forbidden Plateau Reclamation Society as a non-voting member for the remainder of the 2014 to 2018 term of office.

Sincerely,

Edwin Grieve
Director
