Re: Director at Large – Federation of Canadian Municipalities (FCM)

In conversation with UBCM Past President and current FCM Director, Rona Martin, I learned that many elected officials who previously sat on the BC Caucus of FCM have either stepped down or were defeated in last fall's municipal election.

The current President of UBCM has suggested that I could let my name stand for 'Director at Large' at FCM's Annual General Meeting in Quebec City next month. My five years of experience as a table officer and now Past President of Association of Vancouver Island Coastal Communities would bring a 'Vancouver Island and Coastal' perspective to the FCM's BC Caucus team.

Therefore, I request consideration of the following:

THAT the Comox Valley Regional District Board of Directors provide a letter of support for Director Edwin Grieve to stand for 'Director at Large' at the Federation of Canadian Municipalities' 2019 Annual General Meeting in Quebec City.

I sincerely hope to obtain an endorsement in writing before the conference.

Sincerely,

Edwin Grieve
Director
