Subject matter: I would like to make the Board aware of a Seafood Innovation Centre that VIU is trying to create at the Deep Bay Marine Field Station. The initiative is being funded by the Ministry of Agriculture and will be done in partnership with the K'omoks First Nation and North Island College, amongst other partners. The Centre will have significant economic benefit for the CVRD.

Specific request of the regional district, if any (i.e. letter of support, funding): If the Board felt it appropriate, VIU would love a letter of support for the venture.

Requested meeting date: July 16th, 2019
