Chair and Directors
Committee of the Whole

I respectfully request your consideration of the following action:

THAT a letter be sent to the Island Corridor Foundation (ICF) requesting a report on:

- the viability of removing the ties and rails from Parksville to Courtenay and converting the right-of-way to a cycling and walking trail on an interim basis until such time as the right-of-way is needed for rail operations;
- any concerns the ICF would have with the removal of the old infrastructure from Parksville to Courtenay to allow for a trail on an interim basis.

Regards,

G. Sproule
