

Recreation Services – Function 645

Adult Ice Users Public Engagement

Gathering Adult Ice Users Needs, Wants & Preferences

Background Information

- Demand to expand Comox Valley Hockey League Program.
- Requests to change existing Ice Allocation Policy.
- Residents not currently using the ice as the services/programs they are interested in are not available.
- 2017 Indoor Recreation Facilities Master Plan indicates need for additional ice.

Communication Objectives

- To have open discussions with current ice users.
- To gather feedback from adult residents interested using the ice.
- To engage with stakeholders regarding ice allocation.
- To ensure staff have the opportunity to provide input.

Engagement Plan

- The engagement approach will inform and consult.
- Proposed plan timeline will be from November 2021 until August 2022.
- Proposed Engagement Plan will cost approximately \$16,000-\$18,000.
- Proposed Engagement Plan will ensure that Recreation Services is:
 - Adapting to changing community priorities.
 - Being fiscal responsibility.
 - Improves accessibility to ice for area residents.
