

Comox Valley Regional District
Management Report for all Committees and Commissions
 [MeetingType] = 'Committee - CVW' and [Status] Contains 'Active'

| ITEM | SUBJECT | ASSIGNED | DATE | DETAILS | Action | Delegated |
|------|---------|----------|-------------|---|---|------------|
| 1 | | Warren | Jun 13,2017 | THAT consideration of updates to the water conservation bylaw be deferred until the next Comox Valley Water Committee meeting, in order that staff can provide information on the consequences of shifting watering times during water conservation stages 1 and 2. | Scheduled for July water committee meeting. | |
| 2 | | Rutten | May 16,2017 | THAT, following adoption of the water conservation bylaw amendments, staff bring forward a plan for a workshop for irrigation industry professionals to communicate the new rules and regulations associated with the updated Comox Valley water conservation bylaw. | Bylaw referred back to water committee. | K. La Rose |
| 3 | | Dunlop | May 16,2017 | THAT the 2017-2021 financial plan for the Comox Valley water supply system, function 300, be amended to increase the water treatment project in 2017 by \$3,253,000 to a total project cost of \$5,253,000 and that the project be funded 83 per cent by federal government and conditional transfers and 17 per cent from development cost charges reserves. | Pending. | |
| 4 | | Rutten | Apr 11,2017 | THAT the Koers & Associates Engineering Ltd. study titled, "Comox Valley Water System Development Cost Charge Bylaw 2343 Update" dated March 29, 2017 be received and that the Comox Valley Regional District work with the municipalities to solicit stakeholder input and public notifications prior to first reading of the development cost charge bylaw. | Bylaw for three readings in July 2017. | K. La Rose |
