Subject: Development Variance Permit Application - 5918 Aldergrove Drive (van Ierland) Lot 28, Block 29, Comox District, Plan 11986, PID 000-642-703

Good morning, Brian,

We are at 5920 Aldergrove Drive adjacent to the above van Ierland property. We have absolutely no problem with the proposed variance; the proposed changes affect no one in the area adversely as far as we can determine. Please note for the record that we support the proposed variance; this home and property will be a lovely and tasteful addition to our community.

Sincerely

Gayleen Hurl
