

Delegation Request

Hi Jake,

Thank you for reaching out.

I would like to attend the Electoral Areas meeting on Monday morning, at 10 a.m., and update the Directors on the status of the Hornby/Denman application to Connecting B.C., regarding internet service on the islands.

Russell Dyson has spoken to the administrators of the program, Northern Development Initiative Trust, on our behalf, and I would like to bring this discussion forward and ask for support from the CVRD Directors.

Thank you for including us in the agenda, I will send a brief power point to you, prior to the meeting.

Best,

Karen Ross
