

Singular Alternative Approval Process

Purpose

A Singular Alternative Approval Process (AAP) occurring once each year, covering the majority of CVRD AAPs at the same time will provide a transparent, streamlined process for both the public and the CVRD.

Timing Aligned with 2021-2025 Financial Plan

2021 Proposed Topics

- Rural Cumberland Fire Maximum Requisition Increase
- Electoral Areas Community Halls Service Establishment
- Saratoga Pest Management Service Establishment

Saratoga Pest Management Service Establishment

- Dedicated report detailing long term impacts, benefits, resources and potential implications coming January 2021
- Service establishment June 2021
- Public input to Integrated Pest Management Plan summer/fall 2021
- Potential Bti application in 2022

Next Steps

- Approve the concept of the singular alternative approval process, to occur in May/June 2021.
- Approve proposed projects for the process.
- Confirm projects in February 2021, including any required bylaw readings and / or project logistics.
