

CVRD – Transportation

IRTSC April 29, 2019

Role in transportation

- Greenways
 - Parks Service
- Comox Valley Transit
 - Partnership with BC Transit
- IRTSC
 - Administration/technical support
- Advocacy – primarily with MOTI

Planning

- Electoral Area focused
 - OCP/Zoning
 - Rural Road Network Plan (partnership with MOTI)
 - Parks and Greenways plan
 - Community climate action plan
- Regional
 - RGS – Overarching vision, policies, targets for active transportation and necessary landuse patterns and infrastructure.
 - Comox Valley Transit Future Plan
 - Cycling Plan (stakeholder/partner)

Active Transportation

- RGS goals/objectives/policies for active transportation imbedded in other plans which also include specific recommendations on priority projects/programs.
- CVRD pursue active transportation projects primarily under parks service (recreational) but also through sustainability work in electoral areas (commuter).
- No formal service/function exists for the latter
